**INTERVENOR’S REPLY TO RESPONSE OF PETITIONER TO
MOTIONS TO INTERVENE**

NOW come Richard and Debbie Mathiesen and reply to Petitioner’s response to Mathiesen’s Motion to Intervene.

We bought the bed and breakfast in Rochester 19 years ago by the village green. We come to Rochester for the quaintness and New England feeling without the hustle bustle, to relax. In our advertisement we say “set back in time”. It would be harmful to our business to see the cell tower from our property and business. People are trying to get away from that when they come here.

We have a particularized interest in protecting the aesthetics of our property and business. Intervening in this case is the only way to protect our interests. Our Motion to intervene should be granted.

Respectfully submitted this 6th day of February, 2026 in Rochester by,

/s/ Richard and Debbie Mathiesen
