DEPARTMENT OF PUBLIC SERVICE'S MOTION TO EXTEND DEADLINE

The Department of Public Service (Department) moves for the Public Utility Commission (Commission) to extend the deadline by which the Department is required to file prefiled testimony in the above-captioned dockets. Currently, this deadline is February 11, 2026. The Department respectfully requests that the Commission extend this deadline to one week February 18, 2026, along with a one-week extension in all remaining deadlines. The Department is working diligently on completing its prefiled testimony but needs additional time due to unexpected illness that delayed Department testimony. The Department has reached out to Stowe Electric Department (SED) to ask for their consent to the change in schedule.
