
SETH D. GODDARD**Vice President * VT P.E. 55582**

Mr. Goddard joined Krebs and Lansing in 2005 and became an owner in 2014. Mr. Goddard has worked on a variety of civil engineering designs, permitting, and construction services for many commercial, industrial, residential, and institutional civil site design projects. These projects include the design of roads, construction access roads, utility systems, storm control and treatment systems, onsite sanitary sewer systems, municipal sanitary sewer, on site water supply, municipal water supply systems, mass earthworks, grading, and erosion control measures.

Mr. Goddard is well established and provides professional knowledge in civil engineering site and stormwater design, utility design and surveying. He has provided support for numerous projects under Section 248 review by the State of Vermont Public Service Board.
