View A. From the parking lot of Lowell Graded School

View B (Above). From the 4th grade classroom of Lowell Graded School, illustrating the view that all classrooms facing East have to the field and hills beyond.
View C (Below). Exiting Lowell Graded School

View D. Pavilion and playing fields at Gelo park
View E. Entrance/Exit to Community Trails and Gelo Park

View F. Snowmobile Trail from property adjacent to the Lowell Graded School
View G. Leaving Town Hall

View H. From Mountain View Cemetery, with field in question behind deciduous border
View I. From Yard of Residence 3; Solar Field would be behind primarily deciduous border

View J. From yard of Residence 2. Field begins about 20′ beyond the shrub.
View K. From second-story window of Residence 2 – summer condition (photo provided by owner). Field sits behind the trees in the foreground and up to the thin tree line separating field from lawn of Residence 3beyond.

View L. From deck of Residence 1
View M. From Kitchen/Breakfast nook of Residence 1
