Re: PUC Case No. 25-2774-Petition of Williston H Solar, LLC for a certificate of public good pursuant to 30 V.S.A. § 248 for a 2.75 MW ground-mounted solar array located off Redmond Road in Williston, Vermont

Dear Clerk Anderson:

Williston H Solar, LLC filed its proposal for decision yesterday. There is a material typo in finding 73. The reference to permit 3-9050 should be “3-9020” as stated in the ANR MOU.

Sincerely,

Joslyn Wilschek
