

STATE OF VERMONT
PUBLIC UTILITY COMMISSION

Case No. 25-1809-TF

Tariff filing of Town of Stowe Electric Department for approval of EV and EVSE Flexible Load Management Program effective on service rendered on or after October 1, 2025	
--	--

**VERMONT DEPARTMENT OF PUBLIC SERVICE COMMENTS ON PROPOSAL FOR
DECISION**

On April 7, 2026, the Hearing Officer appointed on behalf of the Vermont Public Utility Commission (“Commission”) issued a Proposal for Decision (“PFD”) in the above-captioned matter and requested that the parties file any comment by April 17, 2026. The Vermont Department of Public Service (“Department”) has reviewed the PFD and supports its findings but would like the opportunity to discuss Stowe Electric Department’s (“SED”) proposal with them before a final decision is issued. Therefore, the Department respectfully requests that the Commission allow further comments until May 8, 2026, before issuing a decision to allow discussion between SED and the Department. The Department has been given permission from SED to state that they support this deadline.

Dated at Montpelier, Vermont this 17th day of April 2026.
