

STATE OF VERMONT
PUBLIC UTILITY COMMISSION

Case No. 25-1809-TF

Tariff filing of Town of Stowe Electric Department for approval of EV and EVSE Flexible Load Management Program effective on service rendered on or after October 1, 2025	
---	--

Order entered: 04/20/2026

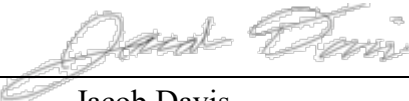

PROCEDURAL ORDER REQUESTING COMMENTS

On April 17, 2026, the Town of Stowe Electric Department (“Stowe Electric”) and the Vermont Department of Public Service (“Department”) filed comments on my proposal for decision. In its comments, the Department represented that it and Stowe Electric agreed to extend the schedule of this proceeding to include comments on May 8, 2026.

Stowe Electric is requested to clarify whether it has agreed to waive the seven-month requirement of 30 V.S.A. § 227 as part of its agreement with the Department to extend the schedule in this case. I further request that Stowe Electric waive the seven-month requirement until the Commission issues a final order in this proceeding. Stowe Electric is directed to respond to this order by April 22, 2026.

SO ORDERED.

Dated at Montpelier, Vermont, this 20th day of April, 2026.
