Re: Case No. 26-1010-TF/Village of Jacksonville Electric Company's tariff filing requesting an overall rate increase in the amount of 17.72%, to take effect July 5, 2026

Dear Ms. Anderson:

On May 21, 2026, the Village of Jacksonville Electric Company ("Jacksonville") filed the above-referenced rate filing. Subsequent to that filing, Jacksonville was made aware of a rounding error that impacted a few of the tariffs (clean and redline) and two of the exhibits. Please find enclosed with this letter corrected versions of those documents. Additionally, Jacksonville is providing the final version of the customer notice.

If you have any questions, please do not hesitate to give me a call.

Regards,

Elijah D. Emerson
