

STATE OF VERMONT  
PUBLIC UTILITIES COMMISSION

Case No. 25-2346-PET

Petition of Northland Solar LLC  
for a certificate of public good,  
pursuant to 30 V.S.A. 248, authorizing  
the installation and operation of  
a 4.999 MW solar electric generation  
facility in Lowell, Vermont

**TOWN OF LOWELL'S SUPPLEMENTAL RESPONSE TO PETITIONER'S REVISED  
PROJECT DESIGN NOTICE**

The Town of Lowell respectfully submits this supplemental response to Petitioner's filing dated May 22, 2026, regarding the revised project design notice.

The Petitioner attempted to serve all parties entitled to notice but failed to reach all parties because two adjoining property owners were misidentified. Two properties have been sold during the course of this proceeding.

The new owner of the property previously identified as Bradshaw and Appleton Griffin is Damien Walker.

There is also a new owner for the 700 Lowell LLC property. One of the owners is Jake Swanson. The remaining ownership information may be obtained from the Lowell Town Office when it reopens on Monday, June 1, 2026.

Dated at Lowell, Vermont this 28th day of May, 2026.

Respectfully submitted,

**/s/Jennifer Blay**
