03/30/2026	Bennett, Katherine [PUBCOM]	This area is seeing an increase in unsafe activity including two murders directly in the West Enosburgh area since the first proposal came through. I believe that this is now a conversation about how we as a community can provide the tools our residents need to stay and feel safe, including our first responders many of whom are volunteers. Communication is essential in an emergency and it's to our advantage to utilize the available technology to best serve our community members.	Filed
