PUBLIC UTILITY COMMISSION

Case No. 24-3351-INV

Investigation into the potential need for transmission system improvements identified in the 2024 Vermont Long-Range Transmission Plan	
--	--

Order entered: 07/22/2026

ORDER GRANTING SCHEDULE EXTENSION

This case concerns an investigation into the review of the potential need for transmission improvements identified in the 2024 Vermont long-range transmission plan.

On July 6, 2026, an order was issued requesting comments on staff recommendations, establishing a deadline for responses on July 24, 2026.

On July 21, 2026, the Vermont Department of Public Service (“Department”) filed a motion requesting additional time to file responses. The Department states that an extension is needed because key staff have conflicting work and leave schedules. The Department represented that the request has the consent of the Vermont Electric Power Supply Authority, the City of Burlington Electric Department, the Village of Ludlow Electric Department, the Village of Jacksonville Electric Company, Vermont Electric Cooperative, Inc., Efficiency Vermont, Green Mountain Power Corporation, GF Power LLC, and the Vermont Electric Power Company.

The request is granted. The new deadline for comments or responses is August 14, 2026.

SO ORDERED.

Dated at Montpelier, Vermont, this 22nd day of July, 2026.
