04/09/2026	Lisa, Maynard L [PUBCOM]	I'm a life long resident of Bakersfield and I strongly support the installation of a tower that will provide needed cell service to Bakersfield and surrounding areas. Bakersfield has no cell service and it is a matter of importance for the safety of our residents. I agree towers are ugly, but so aren't telephone/electric poles, can you imagine having no electricity because some people didn't like the looks of them. I hope you do justice for the surrounding communities and approve this case.	Filed
