04/13/2026	Crawford, carol Crawford [PUBCOM]	Case # 26-0574-PET This proposed tower will impact the historic rural neighborhood, and totally change forever the beauty and nature that surrounds this hillside and give little back to the community. The first seventh day adventist church in the county is in this historic neighborhood and it will be visible for miles along the rural corridor of 108 north. As a resident of the Franklin county Bakersfield Enosburg community for over 50 years , I don't think it is well thought out .
