Subject: Stowe customer against proposed high rate increase Stowe Electric

I recently received a paper notice of Stowe Electric's proposed 14.6% rate increase. This request , in my opinion, is very high. We also know that Stowe's electricity rate (cost) has been above average (for a long time) compared to other Vermont communities. I am asking that the state of Vermont be just as fair to Stowe Electric customers/consumers, as to the Stowe Electric company, in considering any rate increase.

Best regards,
Peter Meenan
