Order entered: 1/13/93

PROCEDURAL ORDER

On December 4, 1992, a Technical Hearing was held in this docket. At the close of the Hearing, I requested that the parties file an initial round of briefs on January 12, 1993, and reply briefs on January 26, 1993. I did not ask for proposals for decision, although hearing officers typically do ask for such proposals.

In asking for briefs only, and not briefs as well as proposals for decision, I assumed that the parties would include proposed findings of fact in their briefs. Those that have filed briefs thus far, did not do so. I therefore request that all parties that have not yet included proposed findings of fact with their filings do so by February 5, 1993.

DATED at Montpelier, Vermont, this 13th day of January, 1993.
