Re: City of Burlington Electric Department Request for Extension

Date: December 4, 2013

---

On August 1, 2013, the Public Service Board ("Board") issued an Order in this proceeding that included a deadline of December 6, 2013, for filing electric three- and twenty-year scenario modeling results.

On December 3, 2013, the City of Burlington Electric Department ("BED") filed a request for an extension of this deadline, until December 13, 2013. BED represented that the Department of Public Service supported its request.

In the August 1 Order, the Board designated Thomas Knauer, Utilities Analyst, as the lead Board staff for this proceeding, with authority pursuant to Board Rule 2.215(C) to make modifications to the schedule as appropriate. Mr. Knauer has asked me to inform you that the request for an extension of the filing deadline is granted. The deadline for BED to file electric three- and twenty-year scenario modeling results is now December 13, 2013.
