

MEMORANDUM

To: EEU-2013-01 E-mail Service List

From: Susan M. Hudson, Clerk of the Board

Re: Joint Proposal to Adjust Schedule, Department Request for Comment Period

Date: January 29, 2014

On January 10, 2014, the Department of Public Service ("Department"), Vermont Energy Investment Corporation ("VEIC"), and the City of Burlington Electric Department filed a joint proposal to adjust the schedule in this proceeding (the "Joint Proposal"). A deadline of January 23, 2014, was established for any comments on the Joint Proposal to be filed. No comments have been received.

In addition, on January 17, 2014, the Department requested that the Board establish a comment period that would allow interested participants to file comments regarding the workshop that was held on January 16, 2014, regarding energy efficiency utility electric resource acquisition scenario modeling results. Subsequently, on January 23, 2014, the Department revised its request in light of VEIC's offer at the workshop to provide additional information. The Department proposed the following deadlines: (1) January 31, 2014, for VEIC to file the additional information; (2) February 7, 2014, for participants to file comments on the electric resource acquisition scenario modeling results, the workshop, and the additional information provided by VEIC; and (3) February 14, 2014, for participants to file reply comments. The Department represented that VEIC supports its proposal.

In the August 1, 2013, scheduling Order in this proceeding, the Public Service Board ("Board") designated Thomas Knauer, Utilities Analyst, as the lead Board staff for this proceeding, with authority pursuant to Board Rule 2.215(C) to make modifications to the schedule as appropriate. Mr. Knauer has asked me to inform you that the Joint Proposal to adjust the schedule in this proceeding has been adopted, and that the Department's request for a comment period has been granted. A copy of the adjusted schedule, including the proposed comment period, is attached.
