Re: EEU-2013-02 (ESA Limitation on Qualified Expenses) and EEU-2014-02 (ESA Program Design Modifications) — Deadline for Comments is May 2, 2014

Date: April 15, 2014

---

On April 4, 2014, Public Service Board staff conducted a workshop in the above-referenced proceedings. At the workshop, participants discussed proposed modifications to the Energy Savings Account program design that were filed by the Vermont Department of Public Service on February 14, 2014.

Workshop participants identified several areas where additional discussion among participants, outside of a workshop setting, would be useful prior to the filing of written comments. Therefore, at the workshop, May 2, 2014, was established as the deadline for filing written comments on the proposed design modifications.
