Re: EEU-2013-02 (ESA Limitation of Qualified Expenses) – Comment Deadline on  
Request to Extend Deadline for Filing ESA Program Evaluation

Date: October 24, 2013

---

The Public Service Board's ("Board") August 14, 2013, Order in proceeding number EEU-2013-02 required the Vermont Department of Public Service ("DPS") to file the results of its evaluation of the Energy Savings Account ("ESA") program and make recommendations on all aspects of program design by October 31, 2013.<sup>1</sup>

On October 21, 2013, the DPS filed a letter requesting an extension of time, until December 31, 2013, to file its ESA program evaluation and recommendations on program design. The DPS stated that the request is due to unexpected delays associated with the retention of a consultant to evaluate the ESA program. The DPS explained that it now has a consultant on board who estimates that the work can be completed by mid-to-late December.

Any person wishing to file comments on this request for an extension of time should do so on or before October 29, 2013. All comments should be circulated via e-mail and should reference matter number EEU-2013-02.
