Re: EEU-2013-02 (ESA Limitation on Qualified Expenses) and EEU-2014-02 (ESA Program Design Modifications) – Notice of Workshop on April 4, 2014

Date: March 19, 2014

On March 7, 2014, the Public Service Board ("Board") issued an Order opening proceeding number EEU-2014-02 to consider the results of the Vermont Department of Public Service's ("DPS") evaluation of the Energy Savings Account ("ESA") program and the DPS's proposed changes to the design of that program. In the March 7, 2014, Order, the Board directed Board staff to conduct a workshop to discuss the proposed changes to the ESA program.¹

Board staff will conduct a workshop commencing at 9:30 a.m. on Friday, April 4, 2014, to discuss the DPS's proposed changes to the ESA program. The workshop will be held in the Board's Third Floor Hearing Room, People's United Bank Building, 112 State Street, Montpelier, Vermont. The workshop will be recorded by a court reporter.

1. The Board further directed that this workshop be held in both EEU-2014-02 and EEU-2013-02, in which the Board is considering a request by Champlain Water District for review of the ESA program's limitation on "qualified expenses" (as defined in the ESA program design document).
