Dear Tom,

I am responding to your email the afternoon before Thanksgiving and also to the one you sent to me on Saturday. In my filing on the standard offer contract I raised the question about whether what you are proposing complies with the law. At no time have I deviated from my position, and that of the Apple Hill Homeowners Association, that it violates our deed restrictions to conduct commercial activities on lands that are part of Apple Hill.....

Libby

Libby,

You raised two issues in your recent filing regarding Chelsea Solar. First, you are claiming that the access driveway off Willow Road is now a problem for you. We eliminated the access off Apple Hill Road because that was one of the items that you and the homeowners association were complaining about. If you would rather us go back to access off Apple Hill Road we certainly can do so.....

Regards  
Tom
