ORDER GRANTING SITE VISIT REQUEST

On July 23, 2018, in response to the hearing officer's issuance of a proposal for decision in Docket 8454, Libby Harris and the Apple Hill Homeowner's Association ("AHHA") filed a request that the Vermont Public Utility Commission (the "Commission") conduct a site visit. On August 2, 2018, Apple Hill Solar LLC filed an objection to the site visit request noting that Commission members and staff have visited the site on four prior occasions. In this Order, the Commission schedules a site visit for both Docket 8454 and Case No. 17-5024-PET (a neighboring site) to be conducted at 10 A.M. on Monday, August 20, 2018.

While Commissioner Cheney has previously visited the sites of these two proposed projects, Commissioners Roisman and Hofmann have not yet participated in a site visit in these cases. Further, the Commission is interested in expanding the scope of their visit to include longer range views of the sites of both proposed projects from the golf course at Mt. Anthony Country Club and from Southern Vermont College as requested by Ms. Harris and the AHHA.

The Commissioners will meet the parties at the Vermont Welcome Center at 9:45 A.M. The parties to both Docket 8454 and Case No. 17-5024-PET are directed to consult with each

other and file a proposed site visit itinerary by no later than the close of business on Wednesday, August 15, 2018.

SO ORDERED.

Dated at Montpelier, Vermont this 27th day of August, 2018.
