Re: Case No. 18-1633-PET  
Petition of Green Mountain Power for approval of a multi-year regulation plan pursuant to 30 V.S.A. §§ 209, 218, and 218d

Dear Ms. Whitney:

Green Mountain Power writes to inform the Public Utility Commission ("Commission") that it has reviewed the Motion to Intervene filed by Anne Laurel Stevenson dated August 24, 2018 and does not object to her participation in this proceeding. We reached out to Ms. Stevenson, who had also attended the July 30 Public Hearing in Rutland, to inform her of our agreement to her intervention and to provide her with a copy of the Commission's August 14 Prehearing Conference Order with the schedule for the proceeding. We look forward to working with Ms. Stevenson as the matter proceeds.

If you have any questions, do not hesitate to contact me.

Very truly yours,

Geoffrey H. Hand, Esq.
