Case No. EEU-2013-01

In Re: 2013-2014 Demand Resources Plan Proceeding

Order entered:

**ORDER CLOSING CASE**

The Vermont Public Utility Commission<sup>1</sup> (“Commission”) initiated this proceeding to develop the second Demand Resources Plan (“DRP”) for the energy efficiency utility (“EEU”) program. The three-year performance period covered by this DRP – 2015-2017 – is now past. On June 1, 2018, a procedural order was issued requesting comment on whether the proceeding should be closed.

On June 15, 2018, the Vermont Department of Public Service filed a letter identifying two items related to the 2015-2017 DRP that remain to be addressed:

- The calculation of uncommitted energy efficiency charge funds; and
- The determination of Efficiency Vermont’s performance relative to its quantifiable performance indicators and any earned performance award.

No other comments were filed.

With respect to the calculation of 2015-2017 uncommitted funds pursuant to Commission Rule 5.304(E) and Appendix A to the Commission’s Order of June 25, 2010, in Docket No. 7466<sup>2</sup>, we request that the Department file its proposal as a new proceeding in ePUC.

With respect to Efficiency Vermont’s performance in the 2015-2017 period and associated performance award, we have issued our determination in Case No. 18A-0834.<sup>3</sup>

We therefore conclude that there are no remaining items to be addressed in this proceeding, and this case is now closed.

<sup>1</sup> Pursuant to Section 9 of Act 53 of the 2017 legislative session, the Vermont Public Service Board’s name was changed to the Vermont Public Utility Commission, effective July 1, 2017. For clarity, activities of the Vermont Public Service Board that occurred before the name change will be referred to in Commission documents as activities of the Commission unless that would be confusing in the specific context.

<sup>2</sup> *Investigation into Petition filed by Vermont Department of Public Service re: Energy Efficiency Utility Structure*, Docket 7466, Order of 6/25/10, Attachment A.

<sup>3</sup> *Efficiency Vermont-Vermont Energy Investment Corporation 2017 Savings Verification and 2015-2017 Performance Award*, Case No. 18A-0834, Order of 8/20/18.

**SO ORDERED.**

Dated at Montpelier, Vermont, this 21<sup>st</sup> day of September, 2018.
