

STATE OF VERMONT
PUBLIC UTILITY COMMISSION

Case No. 18-2660-INV

Investigation into promoting the ownership and use of electric vehicles in the State of Vermont	
---	--

Order entered: 10/04/2018

POST-WORKSHOP MEMORANDUM

On October 1, 2018, the Vermont Public Utility Commission (“Commission”) convened a workshop in this proceeding. Topics covered at the workshop included the current and evolving state of technology for electric vehicles (“EVs”) and electric vehicle support equipment (“EVSE”), barriers to the deployment of EVs and EVSE and strategies for the removal of those barriers, and the appropriate scope of jurisdiction, if any, over EV charging stations. The workshop was conducted through a series of panel discussions addressing each of these topics and concluded with a general question and answer session. A transcript of the workshop will be available on the Commission’s online filing and case management system, ePUC, by October 15, 2018, and a link to videos of the workshop will be posted on the Commission’s website as soon as possible.

At the conclusion of the workshop, the Commission requested that participants file comments addressing: (1) how to proceed with this investigation given what was learned at the October 1 workshop; (2) specific next steps for this investigation, including proposals for future workshops; and (3) the appropriate scope of jurisdiction, if any, over EV charging stations and whether legislative changes are necessary to effectuate participants’ recommendations.¹

Comments should be filed, using ePUC, no later than the close of business on October 15, 2018. The Commission understands that the transcript of the workshop may not be available until October 15; therefore, participants are free to supplement their comments and recommendations as they deem necessary after the transcript becomes available.

¹ If a participant believes that legislation is necessary or appropriate to implement a recommendation regarding jurisdiction, the Commission would find it helpful if that participant could propose legislative language that it believes is necessary to support that recommendation.

SO ORDERED.

Dated at Montpelier, Vermont, this 4th day of October, 2018.

John J. Cotter, Esq.
Deputy General Counsel

OFFICE OF THE CLERK
