

STATE OF VERMONT  
PUBLIC UTILITY COMMISSION

Case No. 17-5024-PET

Petition of Chelsea Solar LLC, pursuant to 30 V.S.A. § 248, for a certificate of public good authorizing the installation and operation of the “Willow Road Project,” a 2.0 MW solar electric generation facility on Willow Road in Bennington, Vermont	
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--

Order entered: 02/21/2019

**ORDER DENYING MOTION TO VACATE**

On February 14, 2019, the Vermont Public Utility Commission (the “Commission”) issued an order directing the parties to file supplemental briefs on an issue that had arisen in the Commission’s review of the parties’ comments on the hearing officer’s proposal for decision in this case.

On February 19, 2019, Chelsea Solar LLC (the “Petitioner”) filed its brief on that issue and filed a motion requesting that we vacate our February 14 Order because additional briefing was not necessary.

In today’s Order, we deny the Petitioner’s motion to vacate the February 14 Order because we are not persuaded that the Petitioner’s brief alone is sufficient to obviate the need for all the parties to file supplemental briefs on the issue identified in our February 14 Order.

The parties are reminded that their supplemental briefs are due on March 1, 2019, and reply briefs are due on March 8, 2019.

**SO ORDERED.**

Dated at Montpelier, Vermont this 21st day of February, 2019.
