Dear Ms. Whitney,

I am writing in opposition to the sale of Southern Vermont Cable to Comcast.

I have been a subscriber of Southern Vermont Cable for many years and have found them to be excellent in customer service and reasonable in their billing.

I also like to support local companies versus national ones. Vermont has already been taken over by so many national chains that it is discouraging. Small, local businesses don't have a fair playing field.

In addition, Comcast has a terrible reputation.

Could you please pass this along to the rest of the Commission?

Thank you.
