Re: Vermont Legal Aid request for moratorium on utility and telecommunications shutoffs
during State of Emergency
Docket Number 20-0703

Dear Mrs. Whitney:

Green Mountain Power (GMP) supports continuation of the moratorium on involuntary service disconnections through May 31, 2020. The moratorium provides meaningful relief to many of our customers faced with financial hardship in this time of unprecedented crisis, and is consistent with GMP's action last week to continue voluntary cessation of disconnection activities through the end of May.

Thank you in advance, and please let me know if you have any questions. .
