Re: Case No. 20-0789-INV; Extension of Time to Commission

Dear Mrs. Whitney:

This letter responds to the Public Utility Commission's (PUC) Order dated April 30, 2020, requesting comments regarding whether it would be appropriate to grant a one-year extension of all commissioning deadlines for net-metering and standard-offer projects whose commissioning deadlines fall on or after March 25, 2020, through December 31, 2020.

GMP supports extending commissioning deadlines for net metering and standard-offer projects as proposed by the PUC's Order. This measure will provide developers with additional time as we all work together to stay safe during this unprecedented time, and it will result in efficiencies for all by avoiding the need for individual requests for extensions.

Thank you for the opportunity to comment. Please contact me with any questions.

Sincerely,

Melissa Stevens, Esq.
