Dear Commissioners:

Pursuant to the Commission's Order dated May 15, 2020, Vermont Legal Aid, Inc. submits this comment in support of the Commission's proposed extension of the moratorium on certain utility disconnections until July 31, 2020. We believe that the proposed extension is necessary in light of the continuing unprecedented public health concerns posed by COVID-19 and Governor Scott's extension of the state of emergency at least until June 15, 2020. We continue to appreciate the efforts of the service providers who again have stepped forward in support of the proposed extension.

Thank you for your ongoing efforts to address this matter and protect the health of all Vermonters.

Sincerely,

W. David Koeninger
