Re: Vermont Legal Aid request for moratorium on utility and telecommunications shutoffs during State of Emergency
Docket Number 20-0703

Dear Mrs. Whitney:

On May 15, 2020, the Public Utility Commission (“Commission”) issued an order requesting comments with respect to providing another extension of the temporary moratorium on disconnections through July 31, 2020.

Green Mountain Power (“GMP”) is supportive of continuing the moratorium at least through July 31, 2020. GMP remains very concerned about the economic impact of the virus for all, and believes it is important to continue to provide relief to customers facing financial hardship due to this crisis. GMP appreciates the efforts of the Commission in this regard, and looks forward to continuing to work with the Commission and others on next steps.

Thank you in advance and please let me know if you have any questions.

Sincerely,

Melissa Stevens, Esq.
