Re: Vermont Legal Aid request for moratorium on utility and telecommunications shutoffs during State of Emergency  
Docket Number 20-0703

Dear Mrs. Whitney:

On July 22, 2020, the Public Utility Commission (“Commission”) issued an order requesting comments on the request of the Department of Public Service (“Department”) to extend the moratorium until September 30, 2020.

Green Mountain Power (“GMP”) supports the continuance of the moratorium at least through September 30, 2020. GMP remains very concerned about the impact COVID-19 is having on Vermonter’s health, well-being and finances, and believes it is important to continue to provide relief to customers facing financial hardships due to this crisis.

Thank you, and if you have any questions, please feel free to call.

Sincerely,

Carolyn Browne Anderson
