

STATE OF VERMONT
PUBLIC UTILITY COMMISSION

Case No. 20-0703-PET

Vermont Legal Aid request for moratorium on
utility and telecommunications shutoffs during
State of Emergency

WASHINGTON ELECTRIC COOPERATIVE, INC.'S COMMENTS

By Order dated July 22, 2020, the Commission requested comments on potentially extending the temporary moratorium on involuntary utility service disconnections until September 30, 2020.

Washington Electric Coop (WEC) continues to support the moratorium and supports its extension for the duration of the state of emergency. The state of emergency remains in effect through August 15. WEC anticipates that the Governor will again extend it and supports a concomitant extension of the moratorium.

Dated at Montpelier, Vermont this 27nd day of July, 2020.
