Case No. 8585

Investigation into Meteorological Tower at 700 Kidder Hill Road in Irasburg, Vermont	
---	--

Order entered: 11/17/2020

ORDER GRANTING REQUEST FOR EXTENSION

On October 29, 2020, I issued a procedural order directing the parties to discuss any potential agreements for the production of witnesses, the need for an evidentiary hearing, and a stipulation to a penalty amount under 30 V.S.A. § 246, and to submit the results of those discussions by November 16, 2020.

On November 16, 2020, the Vermont Department of Public Service filed a request for an extension of the November 16 deadline to November 24, 2020. According to the Department, the extension is needed so the Department and the respondent can continue to confer on outstanding issues and discuss the need for a hearing and witnesses in this case. The Department states that the respondent supports the requested extension.

Based on the Department's representations, the November 16 deadline is extended until no later than the close of business on November 24, 2020.

SO ORDERED.

Dated at Montpelier, Vermont this 17th day of November, 2020.

John J. Cotter, Esq.
