**State of Vermont  
Public Utility Commission**

**MEMORANDUM**

To: Parties in PUC Case Number 20-3563-PET  
From: John C. Gerhard, Esq., Hearing Officer   
Re: Need for Workshop and/or Public Hearing  
Date: April 22, 2021

---

On November 24, 2020, the Town of Stowe Electric Department (“Petitioner”) filed a request with the Vermont Public Utility Commission (“Commission”) for approval of the Petitioner’s 2020 Integrated Resource Plan (“IRP”).

On March 3, 2021, I issued a scheduling Order in this proceeding that tentatively scheduled workshops/public hearings for May 4 and 18, 2021, should the Commission so request such workshops or should a ratepayer in the Petitioner’s service territory request such a public hearing.

Currently, the Commission does not require workshops in this proceeding.

I ask the Petitioner and the Vermont Department of Public Service to file comments on whether a workshop is needed in this proceeding or whether a public hearing has been requested by any ratepayer in the Petitioner’s service territory.

**Comments shall be filed no later than April 30, 2021.**
