**DEPARTMENT OF PUBLIC SERVICE'S RESPONSE TO MOTION TO ALTER OR AMEND**

On April 29, 2021, the Vermont Public Power Supply Authority (VPPSA) and the City of Burlington Electric Department (BED) jointly filed a motion requesting that the Public Utility Commission (Commission) alter or amend its April 26, 2021 order that granted BED and VPPSA intervenor status in these cases. Specifically, BED and VPPSA request that the Commission delete footnotes 7 and 8 from that order and allow BED and VPPSA to have full intervenor status in these cases. The Department of Public Service does not oppose VPPSA and BED's motion to alter or amend the Commission's April 26, 2021 order.

Dated at Montpelier, Vermont, this 5th day of May, 2021.
