**Re: Case No. 20-0789-INV – Vermont Public Utility Commission orders and memoranda issued in response to COVID-19 pandemic**

Dear Ms. Anderson:

Green Mountain Power Corporation (“GMP”) appreciates the opportunity to respond to the public comments filed January 18, 2022 by Renewable Energy Vermont and January 19, 2022 by AllEarth Renewables, Inc. in the above-referenced proceeding. While we have not found such delays here, GMP has no objection to extending all commissioning deadlines as requested.

Thank you, and if you have any questions, please feel free to call.

Sincerely,

Carolyn Browne Anderson  
CBA
