ratepayers of Vermont electric utilities)

VERMONT DEPARTMENT OF PUBLIC SERVICE
MOTION TO CHANGE SCHEDULE

On April 26, 2022, the Vermont Public Utility Commission (“Commission”) issued its *Order Clarifying the Scope of this Proceeding and Requesting Information* (“Order”) in the above-referenced proceeding. In the Order, the Commission requested that utilities and other parties file responses to the Order by no later than May 27, 2022. The Vermont Department of Public Service (“Department”) intends to respond to the Order and, due to staff illnesses, respectfully requests a two-week extension of this deadline. A two-week extension would effectively move the deadline from May 27, 2022 to **June 10, 2022**. The Department appreciates the opportunity to comment on the Order and looks forward to reviewing input from all stakeholders in this proceeding.

Thank you, and please contact me with any questions.

Dated at Montpelier, Vermont this 24th day of May, 2022.
