

**STATE OF VERMONT
PUBLIC UTILITY COMMISSION**

Case No. 19-0855-RULE

Proposed revisions to Vermont Public
Utility Commission Rule 5.100

**DEPARTMENT OF PUBLIC SERVICE REQUEST TO EXTEND REPLY COMMENT
DEADLINE**

On April 29, 2022, the Vermont Public Utility Commission (“Commission”) issued a proposed draft red-line of a revised Rule 5.100 along with an order summarizing the changes and requesting comments on the draft rule. The Commission requested that any reply comments be filed by June 10, 2022. On June 7, 2022, the Vermont Agency of Natural Resources (“ANR”) requested that the reply comment deadline be extended by two weeks, until June 24, 2022. The Vermont Department of Public Service (“Department”) joins ANR in this request because it needs more time to develop responses regarding interconnection and various rule timelines.

Dated at Montpelier, Vermont, this 7th day of June 2022.
