

**STATE OF VERMONT
PUBLIC UTILITY COMMISSION**

Petition of Randolph Davis Road Solar LLC for a Certificate of public good, pursuant to 30 V.S.A. §§ 248 and 8010, authorizing the Installation and operation of a 500kW group Net-metered solar electric generation system in Randolph, Vermont

Case No. 21-2939-NMP

**LANDOWNER’S RESPONSE TO PETITIONER’S RESPONSE TO LANDOWNER’S
RESPONSE TO PETITIONER’S MOTION AND SUPPLEMENTAL MOTION TO
STRIKE PORTIONS OF LANDOWNERS’ DIRECT PREFILED TESTIMONY AND
EXHIBITS**

June 21, 2022

Now come Neighbor Intervenors (Landowners) Michael Binder and Joan Allen, *pro se*, and Respond to Petitioner’s June 21, 2022 Response in the matter of Petitioner’s Motion and Supplemental Motion to Strike Portions of Landowner’s Direct Prefiled Testimony and Exhibits.

Mr. Binder, in his May 6, 2022 Prefiled Testimony wrote:

“...and Second, to show the Commission that it should give no **consideration** [weight] to the Preferred Sites Letters from the Town of Randolph because...”

Landowners, in their June 20, 2022 Response to the Motion to Strike wrote:

“Mr. Binder presents relevant evidence that the Commission may weigh in its effort to determine just how much **consideration** [weight] is due the Letters.”

The word “consideration”, where bolded in the above quotations, is meant in the sense of “weight”. Mr. Binder’s testimony is relevant if it helps the Commission determine how much weight to give the Preferred Sites Letters.

CONCLUSION

Neighbor Intervenors renew their request that the Commission deny Petitioner's Motions to Strike Portions of Landowners Direct Prefiled Testimony and Exhibits.
