ORDER EXTENDING TODAY’S FILING DEADLINE

These cases concern GlobalFoundries U.S. 2 LLC’s (“GlobalFoundries”) petition for a certificate of public good, pursuant to 30 V.S.A. § 231, to operate an independent, self-managed utility beginning October 1, 2022, under *de minimis* regulation appropriate to its function and Green Mountain Power Corporation’s (“GMP”) petition for approval to modify its service territory, pursuant to 30 V.S.A. § 249.

On August 1, 2022, GlobalFoundries and Conservation Law Foundation (“CLF”) filed a motion to amend the schedule to extend today’s filing deadline by one day.¹ In support of the motion, GlobalFoundries and CLF state that they are concluding ongoing settlement discussions today that “will have a material impact on the filings due.”²

GlobalFoundries and CLF represent that GMP, Vermont Electric Power Company, Inc. and Vermont Transco LLC, the Vermont Department of Public Service, the Vermont Agency of Natural Resources, the Vermont Agency of Commerce and Community Development, and AllEarth Renewables, Inc. agree to the one-day extension. GlobalFoundries and CLF had not heard back from the other parties at the time of filing their motion.

¹ As a matter of practice, parties appearing before the Vermont Public Utility Commission are expected to file motions for extensions as soon as possible, but generally not less than three days before an established deadline. While last-minute requests such as GlobalFoundries and CLF’s may be necessary in certain circumstances, they should be avoided whenever practicable.

² Motion to Amend the Scheduling Order and Extend Filing Deadline (8/1/22) ¶¶ 2-3.

The current schedule sets today, August 1, 2022, as the deadline for the parties to file (1) a joint proposal or proposals containing a schedule and order of witnesses for the hearing, each party's estimate of the time it needs to cross-examine each witness, a list of issues that will be covered during a party's cross-examination, and any times during the hearing days that specific witnesses, if any, will not be available to testify; (2) a stipulated joint list of prefiled testimony; and (3) prehearing motions, including motions requesting the opportunity for direct examination of a witness and motions objecting to holding the evidentiary hearing remotely.

In the interests of efficiency and encouraging the parties' efforts to settle aspects of their disputes, the August 1 deadline is extended to August 2, 2022, by 4:30 p.m.

SO ORDERED.

Dated at Montpelier, Vermont, this 1st day of August, 2022.
