Re: PSB Case No. 22-4100-TF - WEC/rate increase tariff

Dear Mr. Bushman:

Thank you very much for your September 29, 2022, comments to the Vermont Public Utility Commission (“Commission”) regarding the above-referenced matter. Copies of your comments were provided upon receipt to the Commissioners and staff on the case. Your filing is also a part of the public file in this case.

Thank you for your detailed comments identifying your concerns and questions. In addition to the Commission’s review of your comments, we have alerted the Department of your submission so that they consider your concerns in their consideration on whether to recommend to the Commission that an investigation be opened into the tariff filing.

If you are interested in receiving e-mail messages notifying you when parties make filings and the Commission issues documents in this case, you may “subscribe” to the case in ePUC (the Commission’s electronic case management system).¹ To subscribe:

- go to epuc.vermont.gov and log in or, if you do not yet have an ePUC user account, create an account by clicking on the “Create Account” button and filling in the fields on that screen,
- find the case you would like to subscribe to by using the “Search by Case Number” option,
- select “Subscribe to a Case” from the “Select Action” drop-down menu, and fill in the fields on that screen.

Thank you again for your comments.

Sincerely,

A handwritten signature in blue ink that reads "Holly R. Anderson".

Holly R. Anderson
