PUBLIC UTILITY COMMISSION

Case No. 22-2954-PET

Petition of the Department of Public Service to open a proceeding to initiate EEU Demand Resources Plan proceeding for the 2024-2026 and 2027-2029 performance periods	
--	--

Order entered: 02/15/2023

ORDER REQUESTING COMMENTS ON STATUS CONFERENCE

On October 13, 2022, the Vermont Public Utility Commission (“Commission”) adopted a schedule for this proceeding to address the Demand Resources Plan proposals of Efficiency Vermont, Vermont Gas Systems, Inc. (“VGS”), and the City of Burlington Electric Department (“BED”).

On February 3, 2023, I issued an order granting a request by the Department of Public Service (“Department”) to extend the schedule as it relates to the proposals of VGS and BED while leaving the schedule regarding Efficiency Vermont unchanged.

As a result of granting the Department’s request, there are now two scheduling conferences scheduled: the first on April 4, 2023, to discuss further process regarding Efficiency Vermont’s proposal, and the second on April 21, 2023, to discuss further process regarding the BED and VGS proposals.

I request the parties to consider whether the Commission should consolidate the two scheduling conferences into one to be held on April 21, 2023. Any comments or objections to this consolidation should be filed by February 27, 2023.

SO ORDERED.

Dated at Montpelier, Vermont, this 15th day of February, 2023.
