VERMONT DEPARTMENT OF PUBLIC SERVICE RESPONSIVE COMMENTS

On February 3, 2023, Washington Electric Cooperative, Inc. (“WEC”) filed comments in the above-referenced proceeding. In its comments, WEC states that it (1) concurs with the Department’s recommendation of a 12.83% rate increase; (2) does not intend to serve discovery on the Department; (3) does not request a hearing; and (4) is available to answer any Vermont Public Utility Commission (“Commission”) questions. The Department has reviewed and does not take issue with WEC’s comments. The Department echoes WEC in that the Department’s witnesses are available to answer any further Commission questions.

Thank you, and please contact me with any questions.
