Re: Correction to CPG, issued 12/23/13

Date: December 26, 2013

---

On December 23, 2013, the Public Service Board issued a final Order and Certificate of Public Good ("CPG") in the above-entitled subject matter. Please be advised that due to a technical error, Condition No. 2 of the CPG failed to reflect the complete language of Condition No. 3 of the Order. In addition, line one of condition No. 12 of the CPG, issued on 12/23/13, also contains a technical error relating to the time when construction shall take place.

Would you please replace the enclosed pages 1 through 3 for the ones that were sent to you on December 23, 2013. Page 4 remains in tact. We apologize for the technical errors, and any inconvenience they may have caused. Thank you.
