Case No. 22-2954-PET

Petition of the Department of Public Service to open a proceeding to initiate EEU Demand Resources Plan proceeding for the 2024-2026 and 2027-2029 performance periods	
--	--

Order entered: 04/28/2023

ORDER ADOPTING, IN PART, PARTIES’ JOINT PROPOSED SCHEDULE

On April 14, 2023, the Department of Public Service (“Department”) filed with the Vermont Public Utility Commission (“Commission”) a proposed schedule agreed to by the parties in this proceeding: Efficiency Vermont, the City of Burlington Electric Department (“BED”), Vermont Gas Systems, Inc. (“VGS”), and the Vermont Public Power Supply Authority (“VPPSA”).

On April 21, 2023, the Commission convened a scheduling conference with all parties present. Based on the April 14 proposed schedule and the discussion at the scheduling conference, we adopt the following schedule. Because VPPSA prefers a process that includes prefiled surrebuttal testimony, this schedule eliminates the proposed procedural steps that contemplated live surrebuttal testimony.

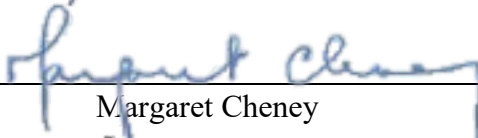

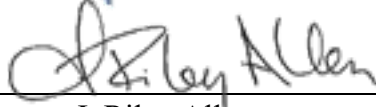

May 4, 2023	Deadline for BED to file rebuttal testimony
May 4-11, 2023	Discovery requests on BED’s rebuttal testimony, with 14-day response
May 11, 2023	Deadline for Efficiency Vermont and VGS to file rebuttal testimony
May 11-18, 2023	Discovery requests on Efficiency Vermont and VGS rebuttal testimony, with 14-day response
May 31, 2023	Deadline for Efficiency Vermont, BED, and VGS to file a status report after the conclusion of the legislative session
June 2, 2023	Deadline for the Department and VPPSA to file surrebuttal testimony
June 2-9, 2023	Discovery requests on Department and VPPSA surrebuttal testimony, with 14-day response
June 16, 2023	Commission information requests to parties
June 20, 2023	Deadline for parties to file list of evidence to be admitted into the record, proposed order of witnesses at hearing, and estimates of cross-examination time for each witness

June 23, 2023	Deadline for parties' responses to Commission information requests
June 27, 2023	Evidentiary hearing
July 25, 2023	Deadline for parties' initial briefs
August 8, 2023	Deadline for parties' reply briefs
September 5, 2023	Target date for Commission orders

If BED, VGS, or Efficiency Vermont wishes to present surrebuttal testimony, whether live or prefiled, that party should file its request by June 16, 2023. The party must identify the topics that it wishes to address in surrebuttal testimony, identify any necessary changes to the schedule, and represent whether its request is supported by all of the other parties. If the request is not unanimously supported, then responses to the request must be filed by June 19, 2023.

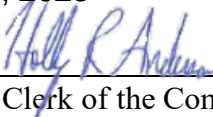

SO ORDERED.

Dated at Montpelier, Vermont, this 28th day of April, 2023.
