Re: Docket No. 8585

Dear Mrs. Hudson:

I am writing to notify the Hearing Officer that my client has no objection to the participation of either the Agency of Natural Resources or the Town of Irasburg as permissive intervenors in this proceeding per PSB Rule 2.209(B). Per PSB Rule 2.201(B), the Town may appear *pro se* through a member of the town's select board who has been duly authorized to act as its designated *pro se* representative. The Town should therefore file a notice of appearance and written authorization for its designated representative to perfect its intervention.

Thank you for your assistance, and please contact me should you have any questions about this filing.

Very truly yours,

Leslie A. Cadwell
