

STATE OF VERMONT  
PUBLIC SERVICE BOARD

Docket No. 8585

Investigation into Meteorological Tower at 700 )  
Kidder Hill Road in Irasburg, Vermont )

Order entered: 6/30/2016

**PROCEDURAL ORDER GRANTING EXTENSIONS**

On June 16, 2016, a scheduling order was issued in this Docket.

On June 27, 2016, counsel for the Vermont Department of Public Service ("Department") filed a request seeking an extension until July 1, 2016, to file a motion for partial summary judgment. The Department represents that no party objects to this extension request.

On June 29, 2016, counsel for the Respondent, David Blittersdorf, ("Respondent") filed a request seeking an extension until July 1, 2016, to serve its first round of discovery requests. The Respondent further suggested a commensurate two-day extension of the date for serving responses to these discovery requests. The Respondent represents that no party objects to this extension request.

In the absence of objections, the following revised schedule is adopted:

|                 |  |
|-----------------|--|
| July 1, 2016    | Department files Motion for Summary Judgment<br>First round discovery requests on non-respondent |
| July 29, 2016   | Responses to Motion for Summary Judgment   |
| August 7, 2016  | Non-respondents file responses to first round discovery  |
| August 12, 2016 | Department files reply comments on Motion for Summary Judgment                                   |

The remainder of the schedule will be established after a ruling is issued on the Department's summary judgment motion. At this time, it is expected that a status conference will be convened to set the schedule.

**SO ORDERED.**

Dated at Montpelier, Vermont, this 30<sup>th</sup> day of June, 2016.
