Docket No. 8585

Investigation into Meteorological Tower at 700)
Kidder Hill Road in Irasburg, Vermont)

Order entered:

ORDER RE: REQUEST FOR EXTENSION

On July 28, 2016, Mr. Blittersdorf filed a motion to extend the July 29 deadline for responding to the motion for summary judgment filed by the Vermont Department of Public Service (“Department”), Vermont Agency of Natural Resources (“ANR”), and Town of Irasburg (“Irasburg”) (jointly, the “Non-respondents”). Mr. Blittersdorf asks that the deadline be extended until August 10, 2016, to allow him to complete discovery and then use facts from the discovery in the response to the motion for summary judgment. Mr. Blittersdorf represents that the Department opposes the extension. The Public Service Board has generally been lenient in granting requests for extensions where other parties are not disadvantaged. Based upon this practice, I grant Mr. Blittersdorf’s request for an extension.

SO ORDERED.

Dated at Montpelier, Vermont, this 4th day of August, 2016.

George E. Young, Esq.
Hearing Officer
