

STATE OF VERMONT  
PUBLIC UTILITY COMMISSION

Case No. 22-4100-TF

Tariff filing of Washington Electric Cooperative, Inc. for approval of a 14.19% rate increase effective on a service-rendered basis commencing November 1, 2022	
-----------------------------------------------------------------------------------------------------------------------------------------------------------------	--

**VERMONT DEPARTMENT OF PUBLIC SERVICE**  
**MOTION TO CHANGE SCHEDULE**

On July 3, 2023, the Vermont Public Utility Commission (“Commission”) issued a *Procedural Order Requesting Information* (“Order”) in the above-referenced proceeding. Specifically, the Commission requested that the Vermont Department of Public Service (“Department”) and Washington Electric Cooperative, Inc. (“WEC”) respond to the Commission’s Order by July 12, 2023. Due to the unavailability of internal and necessary Department staff, the Department respectfully requests that the Commission move the due date for responses to the Order from July 12, 2023 to July 20, 2023. The Department has consulted with and been authorized by WEC to state that WEC does not object to this extension request.

Thank you, and please contact me with any questions.

Dated at Montpelier, Vermont this 11th day of July, 2023.
